

February 3, 2010

Dear Parents,

The administration is currently considering the possibility of requiring school uniforms for our pre-school and elementary grade levels. Before much time and energy is invested in this endeavor, we feel it is important to determine the interest level on the part of those parents whose students are in those grade levels. If the interest in school uniforms is favorable, we will utilize the 2010-2011 school year to research and experiment with different uniform companies to determine what is best for our school. We would then proceed with initiating school uniforms beginning with the 2011-2012 school year.

Please take the time to provide your input by printing this survey, checking the appropriate box, and returning it to your child's teacher. The survey is also available in the main school office.

Respectfully,  
Laird Crump  
Headmaster

\_\_\_\_\_ I am in favor of school uniforms for grades K3-6<sup>th</sup>

\_\_\_\_\_ I am not in favor of school uniforms for grades K3-6<sup>th</sup>
